

GLA Connection: Global Leadership Alignment

Welcome to GLA Connection, where we foster global leadership alignment and innovative connections. Our mission is to bring together visionary leaders, inventors, and investors to create impactful change worldwide. Through our faith-based approach and strategic introductions, we aim to promote economic growth and spiritual well-being across nations.

About Augustine David: President and CEO of GLA

45 Years in Ministry

Augustine David has dedicated 45 years to ministry, traveling to almost 80 nations and building an extensive network of friends, leaders, and contacts across various fields and professions.

Global Connector

As a result of his travels and connections, Augustine has become a portal for people worldwide seeking assistance in bringing new products and ideas to market.

Consulting Business

To better serve his contacts, Augustine matured his efforts into a consulting business, ensuring proper due diligence and delivering much-needed services.

Background

Originally from Bangalore, India, Augustine now resides in Dallas, Texas, USA, continuing his mission of connecting and empowering global leaders.

GLA Connection's Vision

Breaking Free from Constraints

Experience the spirit of freedom as the creative human spirit breaks free from past constraints to reach new heights.

Strategic Connections

We connect with leaders in various fields, promoting economic growth models and making strategic introductions for project funding.

The Impact of GLA Connection

1

Economic Growth

GLA promotes economic growth models across various nations and industries.

2

Technological Advancement

We support the development and implementation of innovative technologies worldwide.

3

Spiritual Well-being

Our faith-based approach contributes to the spiritual growth of individuals and communities.

4

Global Collaboration

GLA fosters international partnerships and collaborations for greater impact.

GLA Connection's Network

Business Leaders

CEOs, entrepreneurs, and industry experts form a core part of our network.

Innovators

Inventors and creative thinkers bring fresh ideas and solutions to global challenges.

Introductions to Potential Investors

GLA after due diligence on both sides will make introductions only to potential investors

Global Influencers

Thought leaders and change-makers from various fields contribute to our mission.

GLA Connection's Services

Consulting

We offer expert consulting services to help bring new products and ideas to market.

Networking Events

Our regular meetups and seminars provide opportunities for meaningful connections.

Due Diligence

After due diligence, we then facilitate introductions only to potential investors for promising projects and innovations.

The GLA Connection Process

Participate in our monthly meetups and annual seminars to connect with like-minded individuals.

2 Share Your Ideas

Bring your innovative concepts and projects to our network for support and collaboration.

3 Contribute Expertise

Offer your skills and knowledge to support other members and projects within the community.

4 Stay Informed

Subscribe to our newsletter to stay updated on the latest opportunities and success stories.

The Future with GLA Connection

Innovation Acceleration

Continued focus on fostering and supporting groundbreaking ideas and technologies.

Expanded Global Reach

Plans to extend our network and impact to even more countries and communities.

Strengthened Partnerships

Developing deeper collaborations with international organizations and leaders.

Increased Social Impact

Greater emphasis on projects that address pressing global challenges and improve lives.

GLA Connection's Leadership Development Programs

1

Identify Potential

We help individuals recognize and develop their leadership capabilities.

2

Provide Training

Offer specialized workshops and seminars to enhance leadership skills.

3

Facilitate Mentorship

Connect emerging leaders with experienced mentors from our global network.

4

Create Opportunities

Provide platforms for leaders to apply their skills in real-world projects and initiatives.

GLA Connection's Approach to Innovation

Encourage Creativity

We foster an environment where innovative ideas are welcomed and nurtured.

Provide Resources

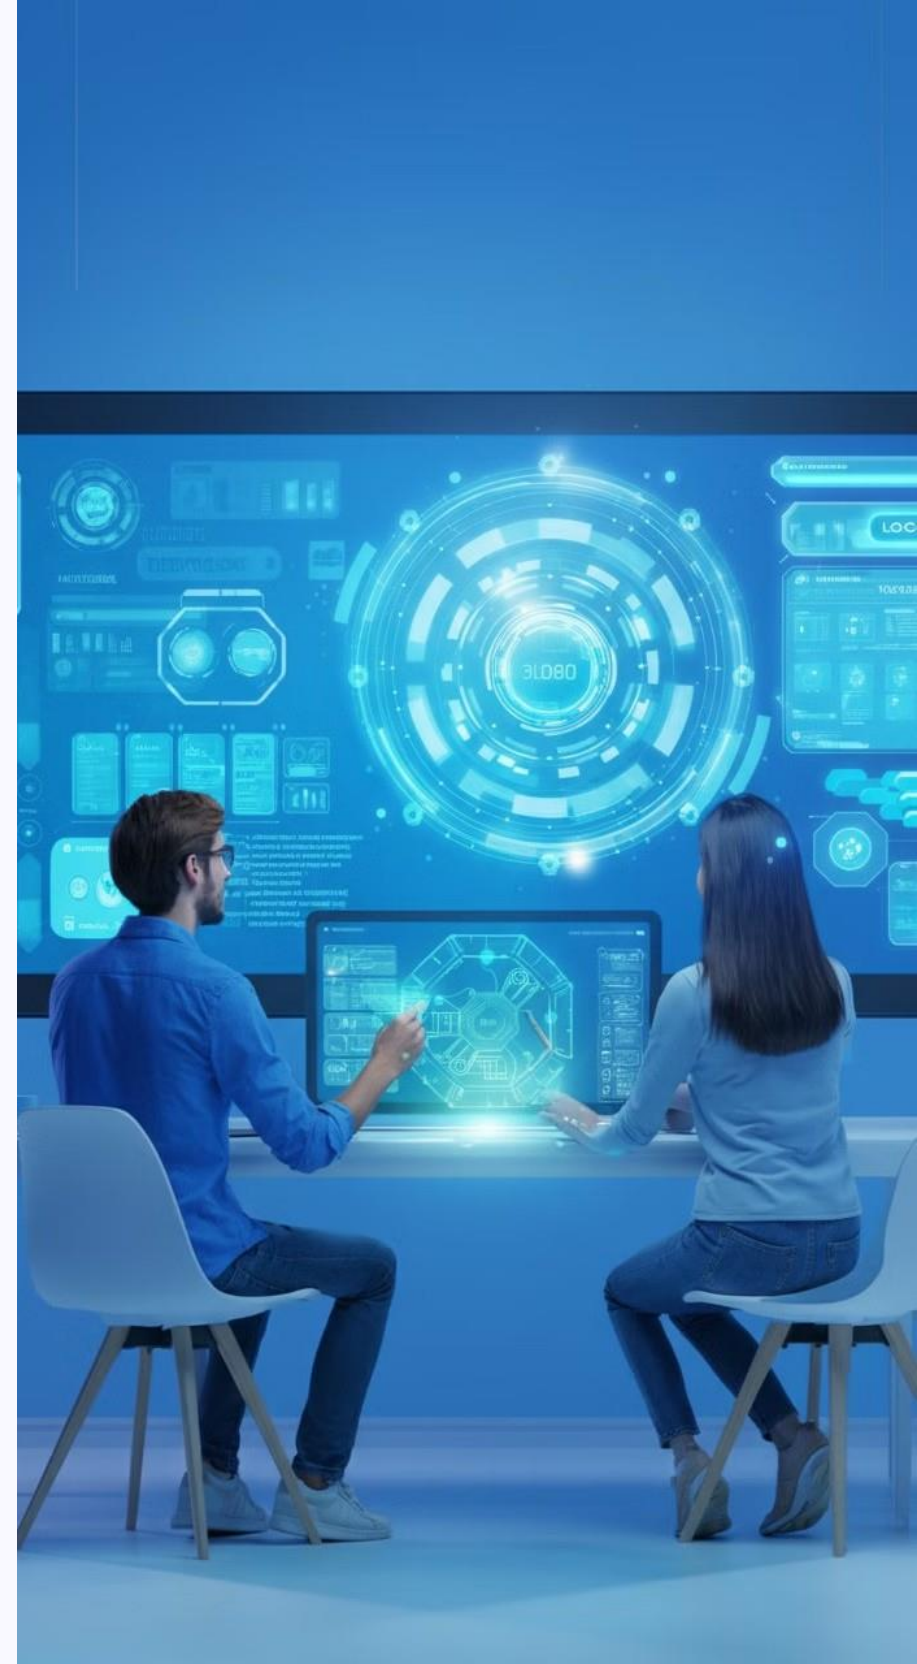

Offer access to cutting-edge tools, technologies, and expertise to support innovation.

Facilitate Collaboration

Connect innovators with complementary skills and resources to enhance project development.

Support Implementation

Guide innovative projects from concept to reality through our network and resources.
